

“SHANAKEE”

Shanakee formed in 1994 by Kieran O'Connell after a long successful stint with “Highland Paddy” a band he set up with his brother.

Shanakee has had a lot of personnel changes over the years and the line up as it is today consists of Mark Mc Neilly, Vocal,Bass Guitar,Banjo, Whistle. Kieran O'Connell, Lead Vocal, Guitar and Bodhran. Dave Walker, Lead Vocal, Guitar, Mandolin. Greg Hunt, Fiddle and Mandolin.

Shanakee play a mix of traditional Irish folk music and songs and a lot of their own original songs with a bit of everything thrown in.

All of the musicians that make up Shanakee have had vast and varied experience in different genres and styles of music and bands and it is all blended together to make Shanakee a fantastic live act.

Whenever you get the opportunity come along and have a listen and decide for yourself if, as someone described “Shanakee are the best Irish band in the business”
