Product Details

4-CD Digipak containing sixty songs taken from across 10 year career.

Comprehensive booklet containing new liner notes and photos from first ten years.

Each disc has a unique sound highlighting the different aspects of CW's music range;

'The Songs' contains popular songs given a unique Celtic Woman treatment.

'The Show' contains the dramatic set pieces performed in the live show

'The Tradition' contains more traditional elements of Celtic Woman's music.

'The Classics' contains tracks of their classically inspired music.

The comprehensive nature of the package, it's unique sequencing and special packaging should make this an attractive purchase for both new buyers and existing product owners.

This package should serve as the definitive collection of Celtic Woman. Placing this in the market will provide the opportunity to clean up the catalogue in its physical and digital form and delete unnecessary products.
