## **Call for proposals for the Ireland 2016: Global Programme**

The Embassy of Ireland, Canberra invites the submission of funding proposals for events in Australia and New Zealand to form part of the international programme to commemorate the 1916 Easter Rising. The deadline for submission of proposals to [canberraembassy@dfa.ie](mailto:canberraembassy@dfa.ie) using the attached application form is **13<sup>th</sup> September 2015**.

Events should fall within the framework of the overall Ireland 2016 programme (available at [www.ireland.ie](http://www.ireland.ie)) and be aligned with one or more of the five themes: Remember; Reconcile; Present; Imagine; and Celebrate. Taking the 1916 Rising as a starting point, projects with a community, commemorative, cultural, academic, or educational focus will all be eligible for funding.

The Embassy will put forward a shortlist of proposals received to the centrally administered fund. Depending on the number of proposals submitted, it may not be possible to fund all those received. It is also unlikely that the Embassy would be able to fund the full cost of a project.
