1916 Commemoration Melbourne

We have received some very kind donations from people around Australia with memorabilia linked to the 1916 Rising. Thank you all for your kind donations. We will be reaching out for the next coming months so that we can make it the best possible celebration.

The 100th Anniversary of the 1916 is next year as you doubtless already know and the Club has plans to celebrate in style.

Could you ask your relatives for information, photographs or any mermorabilia that may help us in celebrating one of the most historical time in Ireland?

Any information will make huge difference to us..
